Reviewed Sports Funding Review: 2015/16

As part of the Governments drive to increase sports participation for all the school has been provided with funding to raise awareness and involve all children in sport, physical activity and healthy eating.

Total amount received: £9660

Funds have been provisionally allocated as outlined below.

Action	Cost	Target	Review
School Sports Co-Ordinator Leadership Training	£2500	To develop the confidence of the Sports Leader with Create PE in preparation for developing staff confidence and supporting CPD within school.	The initial introduction of Create PE has been enormously positive with both the children and the staff. However the training for the Sports Leader took most of the year so the impact of this investment will be seen in 2015-16
Purchase Create PE Scheme and related training	£6200	<p>Increase the use of physical literacy, emotional and thinking skills within the curriculum</p> <p>Increase staff confidence teaching PE</p> <p>To transform the culture of PE so that all children feel they can achieve and want to participate</p>	<p>There has been an increased confidence of the children who also talk about PE very positively. The profile of PE within the school has grown. Children's engagement and enjoyment has been clear and Governors saw this when talking to pupils in the summer term.</p> <p>The scheme will be continued to be embedded in 2015-16 with guidance from the School Sports Coordinator.</p>
Shake That Street Dance Club	£500	<p>To continue to build on the success of the previous year where children were really enjoying dance.</p> <p>To encourage more boys to take up and enjoy dance.</p>	20 children per term had the opportunity to participate in the scheme meaning that overall 56 children benefited from it (not a full take up in the summer term). Children's confidence was noticeably improved as they got to experience street dance.

Sittingbourne and Sheppey School Sports Partnership	£1000	<p>Support with training staff in teaching PE.</p> <p>Participation in local competitions for a variety of different sports covering a variety of different year groups.</p> <p>Increased participation in school sport.</p>	The school has participated in a variety of events set up by the Sports Partnership. This is due to grown further in 2016-17. Children were able to compete with other schools and some of our staff also accessed training arranged by the SP.
Equipment requested via staff audit	£500	Staff will be audited to see what resources they feel would most aid improve and support their PE teaching and lessons.	New indoor balls were purchased for the school to aid in the delivery of the new Create PE.
Sports Workshops and healthy eating week	£800	<p>Increase physical activity in the school. To raise awareness of the importance of healthy eating and exercise.</p> <p>So all children can talk confidently about healthy lifestyles</p>	This week was very positive with children getting a wide range of experiences – from discussing healthy eating, trying Bollywood dance to competing in the primary fitness challenge. The week raised the importance of healthy eating and balanced lifestyles as well as introducing a variety of competitive and non-competitive sports.
