INTRODUCTION

Regis Manor Primary School is committed to raising the achievement of pupils as well as forging and fostering a working partnership with the local community. As part of this commitment we are keen to make available our facilities to the community, outside of school hours, for the purposes of education and recreational pursuits.

This procedure is intended to clarify the arrangements for accessing our school and to facilitate the development of community and recreational activities. The policy, which is approved by the Swale Academies Trust Finance Team, will be reviewed annually to ensure that it is reflective of the school's ethos as well as the needs of the local community.

Ideally the school would like to encourage regular long-term lets. If you are interested in hiring the school facilities this procedure should provide you with all the necessary information you require. If, however, you have any questions that are not covered by this procedure or would like to view the school facilities please contact Taney Cook, Office Manager (Tel: 01795 472971) to make an appointment.

Please note that should the hirer delegate any of their responsibilities, the delegate must be nominated in writing.

WHAT TO DO IF A CHILD MAKES A DISCLOSURE OF ABUSE OR HARM

If a child in your setting discloses to you that they have been abused or that they feel at risk of harm, you should follow your safeguarding policies and procedures immediately. These should include clear instructions on the local referral route into children's social care (as described at subheading Local authority children's social care and multi-agency safeguarding arrangements). If a child is at risk of immediate harm, you should call the police on 999. [Keeping Children Safe in Out-of School Settings](#)

The school will seek assurance that the provider has appropriate safeguarding and child protection policies and procedures in place (including inspecting these as needed). The school will also ensure that there are arrangements in place for the provider to liaise with the school on these matters where appropriate. This applies regardless of whether or not the children who attend any of these services or activities are children on the school roll. Failure to comply with this would lead to termination of the agreement. [Keeping Children Safe in Education](#)
