

The SEND team will be able to support you with matters related to your child's special educational needs.

Every teacher is a teacher of SEND and your first point of contact should always be the class teacher.

Please contact the SEND team if:

- You would like to apply for statutory assessment (start of EHCP process)
- You would like to discuss a referral to another professional (e.g. paediatrician, SALT or OT)
- You would like to discuss transition into primary school or secondary school.

The SEND team operate an appointments system - please contact the school office to book yours.

FLO (Family Liaison Officer)

Our FLOs are dedicated members of our school community who provide support and advice to families.

Please contact the FLO if:

- You need support with accessing external services or resources.
- You have concerns about your child's emotional well-being.
- You require information about local support groups or organisations.
- You need help understanding or navigating the education system.
- You have a safeguarding concern.

We believe that by working together, we can ensure that your child receives the best possible support and education.
Please don't hesitate to contact either the SENCo or the FLO if you have any questions or concerns.
